

our mission

For several decades, Antelope Christian Preschool has served families within our community. We provide a "preschool" type day with structured academics, and well planned activities that both excite and challenge the students.

We develop the spirit, the mind, and the body of each child so that he/she can go into the world and transform it.

Train a child in the way he should go, and when he is old he will not turn from it.

Proverbs 22:5-7
